

MIFARE CARD – USER GUIDE

To ensure problem free use of MIFARE ® Card, please follow the guidelines below in handling the cards:

1. DO NOT bend or fold;
2. DO NOT subject to heat (e.g., place card on car dashboard);
3. DO NOT subject to strong magnetic fields (e.g., leaving card on speakers, TV or microwaves);
4. DO NOT pass through a wash machine;
5. DO NOT punch holes in the card;
6. DO NOT pass through other card systems such as bank ATMs, TouchNGo toll gates;
7. DO NOT try to hack or change the card contents by whatever means. Too many fail attempts might result in the card being permanently locked.
